

HEAT TRANSFER PACKAGED SYSTEMS

*Unfired Steam Generators, Heat Recovery Boilers,
Hot Water Generators, Fuel Oil Pump & Heater Sets,
Instantaneous Hot Water Heaters*

SHELL & TUBE HEAT EXCHANGERS

*Fuel Oil Heaters, General Applications,
Special Applications,
Heat Recovery Applications*

PACKAGED PUMPING SYSTEMS

*Pressure Boosters, Heat Transfer,
Fuel Transfer and Glycol Fill Systems*

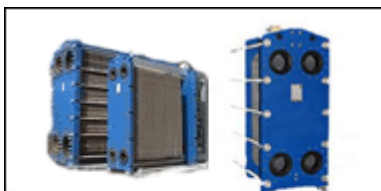

PLATE & FRAME HEAT EXCHANGERS

*Gasketed
&
Brazed Plates*

BOILER ROOM ACCESSORIES

*Liquid/Vapor Separators, Blowoff Tanks,
Blowdown Separators, Flash Separators,
Exhaust Heads*

HEAT TRANSFER PACKAGED SYSTEMS

- Unfired Steam Generators
- Hot Water Generators
- Heat Recovery Boilers
- Deaerators
- Pumping Systems
- Instantaneous Hot Water Heaters
- Blowdown Heat Recovery Systems
- Fuel Oil Pump & Heater Sets

SHELL & TUBE HEAT EXCHANGERS

- General Applications
- Special Applications
- Heat Recovery Applications
- Fuel Oil Heaters
- Replacement Tube Bundles

SHELL & COIL HEAT EXCHANGERS

- District Heating Applications
- Commercial Heating & Hot Water Applications
- Industrial & Process Applications

PLATE & FRAME HEAT EXCHANGERS

- Gasketed
- Brazed
- Welded

BOILER ROOM ACCESSORIES

- ASME Pressure Vessels
- Liquid/Vapor Separators
- Blowdown Separators
- Blowoff Tanks

HEAT TRANSFER EQUIPMENT & SYSTEM INNOVATORS SINCE 1939

Since 1939, The Alstrom Energy Group designs and manufactures heat exchangers, after-coolers, fuel oil preheaters, instantaneous semi-instantaneous water heaters, storage tanks and many others heat transfer equipment.

Comprehensive Product Line
Best Turn-Around Time In The Industry
Patented Technology
Made In The USA
Advanced Method of Heat Exchangers Optimization

Alstrom equipment is based on a proven design methodology. All products are manufactured using the highest quality materials and an unsurpassed level of craftsmanship. Alstrom has earned its reputation for excellence in engineering and manufacturing across a wide range of sophisticated heat transfer products, setting us apart from our competitors. No matter which product and/or options you select you will receive a truly unique solution to address your specific needs whether they are HVAC, Industrial, Process or any other application.
